## You make a difference

Kent MS Therapy Centre is a lifeline to people living with the debilitating neurological condition multiple sclerosis, and your support is more vital than ever. Our running costs are now £300,000 each year, and whether you're a trust, foundation, company or individual fundraiser we want to say a huge thank you in helping us do what we do!

### What's new for our members?

- Exercise classes in the hydrotherapy pool
- Group exercise classes in the gym
- Extra pilates classes
- Singing group
- Relaxing facials
- Creative movement therapy

# Did you know?

The hyperbaric oxygen therapy can help people with other conditions, not just MS.

We've seen results for (among others):

- sports injuries
- non-healing wounds
- migraines
- tissue damage after radiotherapy

We recently held an awareness evening to spread the word to local health professionals and those suffering from non-MS conditions.

Professor Philip James (above), the UK's leading HBO expert and our medical advisor, explained how oxygen can help with healing. People who had seen its effects first-hand also told their stories.

Since the event, we've had several new bookings and hope that opening up our chamber to others will be a good fundraiser for the centre.

# Festive fundraising

Jean and Arlene McManus dressed as KMSTC elves.

In November and December, Kent MS Therapy Centre's helpful elves did all they can to spread Christmas cheer – as well as raise vital cash for the charity.

### **Barclays Bank**

KMSTC members dressed up as Christmas elves to collect donations and sell cakes at Barclays Bank, Canterbury. We raised £971, which Barclays are kindly matching.

### Big Give Christmas Challenge

Our aim this year was to raise money to extend our hydrotherapy sessions from three to five days a week. Our total was nearly £6,000, thanks to our charity champion Candis Magazine matching donations up to £2,000.

### **Christmas Draw**

Thanks to everyone who bought raffle tickets and added £2,599 to the charity's coffers.

# Christmas market and coffee morning

Stalls of festive goodies, delicious food and a wonderful performance from the Canterbury Christchurch University Choir meant that these two events brought in £1,980.

# Christmas greetings posters

Our beautiful Christmas greetings posters have raised £140 to date.

### New to the team

We added a new member to our fundraising team in January – Victoria Wilsher, our community fundraiser. Victoria (above) is looking after community fundraising activities, in close partnership with fundraising manager Helen, plus the members, volunteers and friends of the centre.

Also, a warm welcome to two other new full-time members of staff: physiotherapist Joe Vinluan and receptionist Danielle Defeu.

### Need room hire?

Our newly-equipped and comfortable large function room and boardroom are available to hire for meetings or events. Prices start from £5 per hour for the boardroom and £10 per hour for the large function room (plus admin fees, discounts for longer bookings). Call 01227 470876 and ask for Jason Steelman.
