**Minutes of the Annual General Meeting  
held on Friday 25 September 2020**

**Meeting held by Zoom video conference**

**Administration**

11.00hrs – 34 Full Members were required to be present in order for the meeting to be quorate. Actual number attending was 24. A register of attendees is available on request.

In accordance with our Articles of Association, the Chair (Gavin Davis) therefore adjourned the AGM to a future date. This has been set for 9<sup>th</sup> October at 10am. A notice will be sent to all Members to advise them of the new arrangements.

Proxy forms will be carried forward to the new date.

Note:

1. All members (full and associate) are requested to register individually to make it easier to count attendance.
2. A technical restriction on the voting in Zoom means that each registered member can only vote live once, so if they are acting as a proxy then they need to be able to create an additional registration.

**Making Strides Conference**

The meeting continued with an address by the Chair thanking everyone for their understanding when the Centre was forced to close during the Covid-19 Pandemic lockdown.

Thanks to the magnificent efforts of the Centre team, including volunteers, some support services were able to continue, and a phased re-opening is underway.

Generous support from many donors to the excellent appeals run by the Fundraising team means we are in a strong position financially and able to continue operating. Adapting to whatever new challenges may be around the corner.

A video of the activities and adaptations, including the launch of the new MS Click and Connect online programme, was shown.

**Suggestions noted for action:**

Anne Moon – allow hiring (for a donation) of wheelchairs from the Centre when Members need a short-term replacement as an additional way to raise funds. Jen Needham to look into implementing this.

JN

Sean Pryor – post the video online for viewing (this has been done).
