# SCHOOLS AMBASSADOR

**The Schools Ambassador role involves reaching out to local schools across Kent to let them know about KMSTC and how they can get involved with supporting us.**

It's an interesting and diverse role that can help inspire young people to get engaged with our charity.

The role can include:

- Giving talks and assemblies to schools to raise awareness of KMSTC
- Supporting both teachers and pupils with their fundraising activities and ideas
- Reaching out to schools to enquire about potential Charity of the Year partnerships
- Keeping a record of which schools KMSTC have been or are involved with and building relationships with new schools

You will be a great fit for this role if you are good at working with young people, feel comfortable speaking in front of groups and are enthusiastic about the work of KMSTC. We will ensure you receive the right training and support for you to feel confident in your role.
