

### **Confidentiality Statement**

As a volunteer provider to the Kent Multiple Sclerosis Therapy Centre you are required to abide by KMSTC'S policy on Confidentiality which is written in line with the Data Protection Act 1998.

Any information you may come across during the course of your services at KMSTC of any nature must remain completely confidential.

Further, you will be required to undergo a records check with the Disclosure and Barring Service (DBS). The Centre will cover the cost of this check.

Failure to comply with these requirements may result in termination and cessation of services.

This statement will be kept on file.

I sign this declaration as confirmation that I abide by the above.
